An update from WI Advisers for WI Committees

February 2021 | Issue 2

WI Adviser Clusters

As you know, WIs are allocated to individual WIs on a geographical basis. We have re-allocated some WIs so that Janet Brown, our newest Adviser, has a cluster to look after. This has meant a shuffle round so please check the table below and note who your Adviser is from now.

WI Advisers will be contacting their WIs in the next week or two to check how you and your members are coping as we approach a year without face-to-face meetings.

As always, all your WI Advisers are available to help and support you either by phone, email or letter at any time. **Their contact details are in the last year book.**

Subscriptions 2021-22

The subscription for 2020 has been extended by 3 months because of the pandemic so the subscription for next year is due to be paid by members in April 2021. You have had notification of this from NFWI. If you let members have your WI account name, number and sort code they can pay by bank transfer if they wish. Ask them to put their name and (if room) WI Subs in the appropriate section so that you know who the payment has come from.

Gift Aid

We will be sending treasurers some information soon so that your WI can decide whether you are able to claim Gift Aid and if it is worth you doing so. There is good information on the My WI website [here](#) if you wish to look at it.

With very best wishes to you all,

Sue, Brenda, Maggie, Jill, Angela, Julie and Janet.
