

The Women's Institute (WI) has a proud history of taking action to protect the environment.

*

have crafted this Green♥Heart display to draw attention to, and start conversations about, what we as a species are doing to our planet and how changing our lifestyles can make a difference.

Show the Love campaign is organised by the Climate Coalition, the UK's largest group of organisations dedicated to action on the Climate and Biodiversity crisis and to limiting its impact, at home in the UK and around the world.
