*Creative Leisure Activities originally planned to run this workshop in Spring 2020 finally in Autumn 2021 it's time to get arranging!*

Join us for this creative two-part session with our two tutors Jo Porth and Liz Leeds to create an autumnal wreath using both fresh materials and needle felted decorations. Firstly Jo who will show you how to make a wreath from fresh materials. The container and some ribbon will be provided but members will need to bring with them suitable greenery (i.e. ivy (tree or trailing) Pittosporum, Ruscus, Euonymus, Box, Escallonia, or Eucalyptus).

In the second half of the session, Liz will demonstrate how to make decorations using needle felting. All materials will be provided for this half of the workshop.

Members will also need to bring their lunch and drinks to last the day. We hope it may be possible to provide tea and coffee once we know what restrictions will be in place.
