

## Your WI website

Hi,

I am writing to you as the Federation Web Editor, and as we are getting back to having meetings, thought it would be a good idea to make sure our web pages are up to date (apologies to those who have). Each WI in the Suffolk West Federation has their own web page(s) and I think, quite often the web is where people start looking for information, so it is in our own interests to keep current with information about our meetings and all the activities our WIs are involved with.

The NFWI site was updated a while ago and there have been some changes. One is the way we access the institute pages, we now go via the Suffolk West page, which is <https://suffolk-west.thewi.org.uk/> then you go to 'Find a WI' and scroll down to your WI

**Suffolk West Federation**

My WI Search Suffolk West

Home > Find a WI

## Find a WI in Suffolk West

Search for local groups in your area.

**Barnham & District**  
Barnham Village Hall

**Barton Mills**  
Barton Mills Village Hall, Mildenhall Road, Barton Mills

**Beck Row R**  
St John's Church Hall, St. John's Street, Beck Row

Having got to your pages, as before, you add '/\_edit'

e.g. [https://suffolk-west.thewi.org.uk/find-wi/thurston/\\_edit](https://suffolk-west.thewi.org.uk/find-wi/thurston/_edit)

Another change is that your Web Editor is now assigned by your MCS rep and not by me.

I am more than willing to help to sort any problems out via phone or email and if there is interest, we could look at having tutorials at, possibly, Park Farm.

If you feel that your institute is unable to do updates at the present time, then I can put your meetings on for you. Please do not hesitate to contact me via [webeditor.swfwi@gmail.com](mailto:webeditor.swfwi@gmail.com) or 01359 231881.

With best wishes,

Anne Ling, Federation Web Editor
