

Chairman's Chat *This month WIs are busy holding their Annual Meetings - reviewing their achievements in a year of stops and starts, whilst electing committees to continue their success. Over to our Chairman Julie Higgins who, with her Adviser hat on, has attended some of your meetings.*

I had the pleasure of going to **Bury St Edmunds Afternoon's** Annual Meeting earlier this month, they're not technically one of 'my' WIs but their appointed Adviser Maggie Glavin couldn't be in two places at once so I willingly stepped in. Well the one thing I found out about them is they like food, they'd laid out a mini feast which we all tucked into after the business side was complete. How easy the business was as well, a willing committee and a President very happy to be re-elected, **congratulations to Sally Waterson**, you're doing a grand job. Following a very amusing quiz, more amusement at the raffle (no one wanted the picture frame), what a lovely WI they are. This is an example of a WI who have stuck together through Covid and are now happily meeting face to face again.

My own WI, **Risby**, held their Annual Meeting where I was pressed into action again as stand-in President for the night. It was a very easy and amicable meeting, lots of fun, oh they are noisy. Luckily Maggie was on hand this time to

keep us in order as she very competently led the election for President. **Well done to Janet Brown** for taking this on for another year, I know you'll enjoy it.

If you've had yours I hope it went well, if not, I hope it goes well and if you need help, please ring an Adviser (you'll find their details in your WI Year Book). We're always here to help!

Now, we can't not mention the big event on everyone's lips, the Queen's Jubilee....

Pedalled by the **Bury St Edmunds Rickshaw Team**, the Jubilee Torch and its torchbearers have been making their way around Suffolk. Risby WI member **Jean Savigar** was proudly chosen to ride in the rickshaw for the contribution she made to Risby by organising the Risby Covid Support Group at the start of the pandemic in March 2020. **CONGRATULATIONS** Jean.

Well Done Jean

I am also pleased to say that **Rachel Thomas**, retired Board Member and President of Newmarket WI, pedalled the rickshaw round many of the villages, a great achievement, well done Rachel.

Enjoy the Jubilee celebrations everyone,

Julie Higgins, Federation Chairman

Hello from the WI Office It's been another busy month across Suffolk West. We started May with our Soup & Natter ladies lunch. The title says it all really, it's where our Catering Queen Yvonne King whips up two homemade soups for our ladies to enjoy, whilst they catch up with friends. It's running every month and you can find more details for the June and July lunches on pg. 4.

Thankfully, WI members are never deterred by the weather and the rain held off for our Nordic Walking taster session. The sun also shone for our day trippers who hopped on a coach to the National Arboretum. You can read all about that on pg.3 courtesy of Pat Collinson. Thank you so much to everyone who attended these events, you all contributed to their wonderful successes.

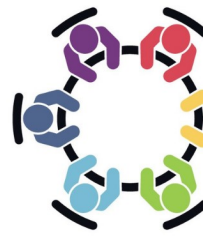

Unfortunately it's not always the case though. We've had to cancel the Science For All event scheduled at the end of May due to lack of ticket sales. It was a really tough call, but like any charity we can't afford to make a loss. We'd like to thank those who did book tickets and we're sorry to disappoint you.

On a happier note, we had some really lovely feedback last month about The Hive's new format. We're so pleased you're still enjoying it and it's wonderful to see your reports pouring in! So on that note, keep sending in your WI news to office.swfwi@gmail.com and don't forget to send in your photos too because we love to see you in action! **The deadline for the next issue is Wednesday 15 June.**

And most importantly, the WI Office will be closed Thursday 2 June for the extra bank holiday. Enjoy the celebrations ladies!

SWFWI Coach Trip To the National Arboretum

Six of us from Glemsford WI joined other WI members of Suffolk West Federation's outing to the National Arboretum in Staffordshire along the A14 and M6.

On our arrival, after coffee, we went to look round the Chapel before joining the others for our land-train tour of the 150 acre Arboretum: home to over 25,000 young trees, all with plaques saying who had planted them in memory of loved ones, and over 400 memorials, all very different, representing people from all walks of life – the Armed Forces, the Emergency Services and Civilian Organisations.

A commentary told us about many of these memorials. I liked one for evacuees which had a dozen children playing on a wall or sitting reading. After lunch, Glemsford members went to look for the WI memorial, as far from the Centre as you could go but there were always Arboretum guides to point us in the right direction.

A passer-by took a photo of us sitting on the limestone seat dedicated to the WI and remembering its help with the war effort.

On our way back to base, two of us found the memorial to the crew of HMS Sheffield and other seamen lost in the Falklands War that had only been there for 2 weeks, while the others found that of submariners that was just being completed. An Admiral there told them that he would be back the following day with Prince William and 1700 other guests for its unveiling.

At 4.30pm we were on our 3-hour journey through "England's green and pleasant land" back to Suffolk.

Glemsford Girls: Gill, Ann, Pat, Lesley, Sue & Merlyn

It had been well worth the effort and I can highly recommend this to other WI members and their families.

Pat Collinson, Glemsford WI

*To Pat for that glowing review! We'd like to say a **HUGE thank you** to our **Vice Chairman, Margaret Brackenbury** for organising it, and we're not the only ones...*

My husband and I would like to say a very big thank you for arranging the trip to the National Arboretum. It was a place we had both wanted to visit and we were glad to have been given the chance in such a wonderful way. A special thank you to Margaret for leading the trip. This has been a day we shall always remember.

Bridget and Ken James

Myself, Debbie Adams and Isobel Walton thoroughly enjoyed the trip to the National Arboretum. It was a stress free and lovely day out. Our thanks to Margaret for organising and looking after us so well.

Gwen Williams, Moreton Hall WI

LINKING TOGETHER WI MEMBERS ACROSS THE COUNTY

Obituary: Janet Hewson | Great Barton WI

It is with great sadness we have to report the death of our member, Janet Hewson.

Janet was a very active WI member both in Great Barton and Suffolk West Federation. She was a member of Great Barton WI for thirty years serving on Committee and as President, and was Federation Secretary when the office was in Whiting St in Bury St Edmunds. Janet loved singing and was a member of the Federation Choir. She also played Mah Jong at Park Farm. At Great Barton she started a "Singing for Fun" group, and enjoyed walking with Strollers and Rambling. Janet also enjoyed Scottish Country Dancing and gardening and organising plant sales for her church.

Janet will be missed by all her friends and our condolences go to her husband and sister .

Janice Campbell, WI President

Obituary: Mavis Hanson | Bury WI

We are sorry to report the sad loss of Mavis Hanson aged 89 years .

Mavis had been with our institute almost since its formation in 1968, and was a valued and enthusiastic member taking on various roles on the committee throughout the years. She vigorously promoted the WI locally, being elected in the 80's to represent Suffolk West on a police panel for crime prevention and road safety.

Mavis will be remembered for her anecdotes of running a B&B, colourful hats and her love of jazz. She will be sorely missed.

Isabel Glasscock, WI Member

Woolpit WI Our WI Annual Meeting was well attended and we are pleased to have some new names added to the committee and to our officers. We were sad to see our President and Secretary stand down, having served us all so well over the last years in such a kind and caring way, especially Angela Green who has worked so hard and with such enthusiasm - a truly willing horse.

Once our business was complete, we all had a bit of fun with a "blind taste comparison test". All members were given a small sample of 3 different items; mature cheddar cheese, a chocolate digestive biscuit and plain potato crisp - one a well known brand name and three supermarket brands, and told to rank them in order of preference. Lidl came out exceptionally well. Will we all be changing our present store - very likely!

Liz Hitchcock, WI Member

Haverhill Owls WI We had a good attendance for *Daniel Wheal's* very informative talk on *Herbal Medicine*. Dan, a Suffolk boy, with a love for gardening and growing, developed his passion for Herbal Medicine via an interest in Psychology and Horticultural Therapy.

He gave a good insight into the beginnings of Herbalism and the principles of using herbs for better sleep, a healthy liver and digestive system which then encourages the body to 'heal itself'. We were also treated to a sample of a herbal 'cold' mix, a tincture made from of a variety of herbs including elderberry, liquorice, thyme, horse radish etc, which was described by some of the ladies as 'quite distinctive' and 'earthy'. It certainly made for a fun and interesting evening.

Corrine Griffey, WI Member

Shimpling & Alpheton WI Our president Steph Eady opened the meeting with a welcome to all and introduced the speaker, *Vernon Lever*, who had brought along a large selection of his watercolour paintings for us to see.

Vernon only paints in watercolour and it was amazing how many different types of subjects can be beautifully produced by this method. He had

brought with him a sketch of a scene from somewhere in Suffolk and the competition for the evening was “*Guess the Location of this Painting*”. Vernon proceeded to paint this sketch, explaining his various methods of mixing colours and starting with just water, he painted the water all round the scene before adding more features. He demonstrated how to prepare the sky with blue/grey hues and continued adding water to weaken the depth of the blue, to great effect. As Vernon continued to paint the roofs of the buildings and highlighting doors, windows, boats, sea walls, trees and reflections in the water, so the painting began to evolve into a recognisable scene.

Once finished members wrote on slips of paper where they thought the scene was. Unfortunately, nobody had the right answer, so names were entered into a pot and the first out won the watercolour painting of the scene in question. The correct location was Chelmondiston.

Vernon was very amusing and had us all laughing. Everybody enjoyed the presentation and we look forward to seeing Vernon again sometime in the future.

Jean Treharne, WI Committee Member

Great Ashfield & Badwell Ash WI held their Annual Meeting in a red, white and blue themed hall, with red tablecloths, and union Jack bunting. Our members found something in the colours to wear, which was our tribute to her Majesty in her very special year.

Midge our President opened the meeting welcoming everyone including our speaker *Val Simpson (Suffolk West ACWW Representative)* and then continued with WI business. Our Committee was re-elected including President Midge who had a full house of votes. Val then gave us a presentation about ACWW.

Our competition, memorabilia regarding Queen Elizabeth II, filled two tables. The winner being a sample of cloth made by Warner's of Braintree, which one of our member's Grandfather helped to produce. It was hung in Westminster Abbey for The Coronation.

We then enjoyed refreshments and a raffle.

Nancy Calderbank, WI Member

Kedington WI Twelve of our members had a very enjoyable hour and a half walk round the village in April for ACWW's Women Walk the World.

Val Farthing, WI Member

Kedington WI Members

Barton Mills WI We began our evening with a short talk from *John Robinson* from *Lasting Power of Attorney Made Simple*. He explained the importance of getting our affairs in order for those families with close members who have lost their mental capacity. It was very thought provoking. We found the resolution a difficult one to talk about, several members added their thoughts to the discussion and then we voted. It left more questions unanswered than answered.

The committee all agreed to stand for another year but called for more members to join as there are only four at present.

To lift the mood of the evening we ended with a Beetle Drive and our raffle.

At our June meeting we will be celebrating the Queen's Jubilee with a floral arrangement workshop in red, white and blue and dressing in red, white and blue for the occasion. You can find out more about our WI, when and where we meet, at our website: www.wibartonmills.weebly.com

Marilyn Badger, WI Secretary

Sturmer WI walked the beautiful Stour Valley countryside for *ACWW's Women Walk the World* event in April and raised £67!

Jo Porth, WI Secretary

Sturmer WI Members Ready to Set Off!

Rickingham WI In April we held our first coffee morning at the *Bell Inn* where 12 of us enjoyed coffee, cake and a good chat. We also visited *Calkewood* for a Bluebell Walk, followed by tea/coffee, amazing cakes and again a good chat. The bluebells were stunning and there was even an orchid and some rare flowers to be seen. The open morning was in aid of Macmillan Research and our hosts Philippa and Rob were pleased to report that they raised £310.

We held our Annual Meeting at the beginning of May when Jill Newell our Adviser joined us. After the formal business, which included voting member Pam Lamb onto the committee, we relaxed with quizzes, jokes and refreshments which included some delectable canapes prepared and served by our very own Jennie (with some help of course!). As well as a general knowledge quiz we had a light-hearted quiz about underwear; "What was the first patented bra made from?" A) 2 half coconuts, B) 2 handkerchiefs or C) face flannels. The answer is B. And "The bikini took its name from..." A) an Arabic word meaning brief, B) the tiny pacific island used in an atom bomb test or C) a small female member of a motorcycle gang. The answer is B. It's surprising what you can learn at a WI meeting.

We are actively involved in the forthcoming Jubilee Celebrations. We will be taking part in the Community Exhibition at St Mary's Church Redgrave on Saturday 4 June and joining in the United Church service at St Mary's Church on Sunday 5 June, as well as running a bottle tombola at the Jubilee Fair at Rickingham Village Hall later that day. So a lot to organise and look forward to.

Rosemary Setterfield, WI President

Hundon WI Sadly I missed the wonderful Chris Burford when he came along to our WI in March to show us how to make his Dutch biscuit recipe.

Chris demonstrated how to make two basic types of dough, then proceeded to show how these basic doughs were combined to give a variety of shapes and

patterns including checker board, marbled, pyramid and cherry.

Everyone enjoyed watching his skill and acting as tasters at the end.

Sharon, Martha, Geraldine and Jean tuck in.

In April we swung our way through the 60's with songs from Barry and Pete, they were great and we had some surprise dancers in our midst as well as a couple of hand jivers! Maybe it was the Prosecco or just happy memories from our pasts.

This month we have our Annual Meeting and on 9th June you can join us for a trip to Little Hall in Lavenham followed by afternoon tea. Fingers crossed for warm weather.

Our golden ticket winner for May is Mary Bradley (Walsham Le Willows WI)

Horringer Court WI For our Annual Meeting our speaker was Wendy Smith, who has been an umpire and line judge at Wimbledon for 37 years. Wendy spoke about what is required from a line judge, not just making calls but ensuring ball changes take place at the right time amongst many other things. She has umpired junior and wheelchair finals and also officiated at the 2012 London Olympic Games. She gave us many statistics including the fact that 5,000 kilos of bananas are consumed by the players during the tournament and 192,000 punnets of strawberries are eaten by spectators at a cost of £2.50 for 10 strawberries, the strawberries are specially grown in Kent and picked freshly every day. We learnt so much of what goes on behind the scenes, a very interesting talk.

We elected our new President Lucy Fromings and wish her well for her year in office.

Horringer Court WI Committee

Pakenham WI We were absolutely delighted to welcome Bob Champion as our guest speaker at the beginning of May. This truly inspiring man told us the story of his brilliant racing career. He started as a stable boy in Yorkshire and worked his way up to fulfil his dream of racing in the Grand National on Aldaniti. He beat all the odds to conquer cancer and after recuperating in the USA returned to triumph again in the racing world. He has since raised enormous sums of money for the Bob Champion Cancer charity. A-MA-ZING

We were delighted to welcome yet more new members, celebrate an 80th birthday, vote on a resolution and conduct an Annual Meeting. Wow what a night!

Mary Kirby, WI President

Wickhambrook WI It was decided to hold our usual monthly meeting first and get the business out of the way. We were joined by our delegate from Chevington WI who will vote on our behalf at the National Annual Meeting in Liverpool next month. There was a brief discussion on the resolution concerning the diagnosis and treatment of ADHD and Autism in the case of girls who tend to be undiagnosed and left without sufficient support. The proposal was voted through almost unanimously.

With the business part of the meeting over, we took a break for refreshments with cakes made by committee members. It was then time for our Annual Meeting where reports from the Secretary, President and Treasurer were read out. Reports were also presented from the walking and reading groups. The main business was the formation of a new committee and appointment of new officers. We were pleased that four new WI members were keen to join the committee. Hilary Bradfield agreed to be the new President, Wendy Mansfield will take over secretarial duties and Polly Puxley will be the new Treasurer. Wickhambrook now has 48 members and a committee of eleven who are looking forward to taking the WI forward.

Wendy Mansfield, WI Member

Moreton Hall WI You might remember Annette Brown, Moreton Hall's Secretary, created a post box topper to raise climate awareness for the Show the Love Campaign back in February. Well, Annette has been back at it and this time she's created not one, but **THREE** post box toppers for the Queen's Jubilee. You can find her celebratory creations scattered across Bury St Edmunds!
